

EVERCON
GROUP

**YOUR ENGINEERING SOLUTION HUB
IN THAILAND**

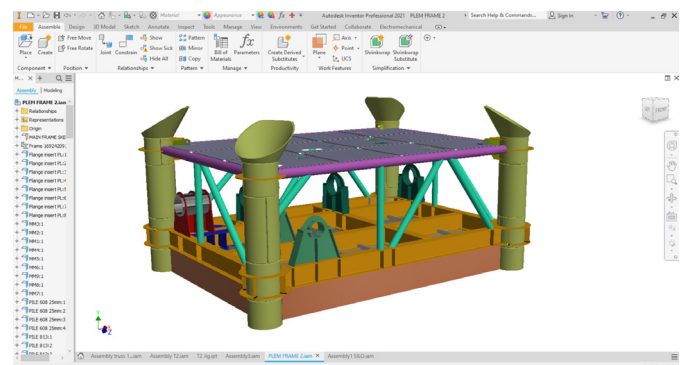

EVERCON GROUP

With a team of over 50 experts hailing from various backgrounds, Evercon specializes in precision engineering. Our services span from advanced fabrication, laser cutting, and precise folding to meticulous mechanical and automation assembly, expert painting, and rapid prototyping and testing. We take pride in our unwavering commitment to high-quality standards, ensuring each project meets industry benchmarks.

Driven by a finely tuned timeline management system, we deliver on our promises promptly and with precision. This allows us to maintain a seamless workflow while guaranteeing the utmost quality in every endeavor.

Situated in Rayong, Thailand, Evercon Group is poised to serve a global clientele. Discover how our specialized services can bring your engineering projects to life. Partner with us for results that exceed expectations.

We pride ourselves on offering a comprehensive range of services and state of the art machinery to meet your engineering needs, here's a closer look at what we have to offer:

METAL WORK SERVICES:

- + Sheet Metal Fabrication
- + CNC Laser Cutting (Carbon steel, Stainless steel, Aluminum)
- + CNC Plasma Cutting (Carbon steel, Stainless steel, Aluminum)
- + CNC Tube Bending and Cutting
- + Precision Welding
- + Metal Bending, Rolling and Forming
- + Bandsaw Cutting
- + Sandblast
- + Painting and Coating
- + Surface Finishing and Polishing
- + Thermal Treatment and Coating

ASSEMBLY SERVICES:

- + Mechanical Assembly
- + Electrical and Electronics Integration, Design and Assembly
- + Wiring and Cabling Design and Assembly
- + Custom Component Manufacturing
- + Robotic Integration
- + Vision Systems Integration

ENGINEERING SERVICES:

- + Rapid Prototyping
- + Tool and Die Making
- + Jigs and Fixture Design
- + Reverse Engineering
- + Testing and Quality Assurance
- + Design and Engineering Support
- + Simulation and Modeling
- + CAD/CAM Services
- + Non-Destructive Testing (NDT)
- + Process Optimization and Consulting
- + Piping Engineering
- + Value Engineering
- + Contract Manufacturing
- + Customized Product Development

OTHER SERVICES:

- + Customized Product Packaging, labeling and Logistics Support
- + Material Sourcing and Procurement
- + Cost Analyzing and Project Management
- + Maintenance and Service Contract
- + Documentation and Reporting

OUR MACHINERIES:

- + CNC Sheet Laser Cut
- + CNC Tube Laser Cut
- + CNC Router
- + CNC Machining
- + CNC Bandsaw
- + CNC Plasma Cutting Machine
- + CNC Bending Machine
- + CNC Aluminum Cutting Machine
- + CNC Aluminum Router
- + Shearing Machine
- + Rolling Machine
- + Pipe Bending Machine
- + Pipe Notching Machine
- + Drilling Machine
- + Tapping Machine
- + Deburring Machine
- + Hydraulic Press
- + MIG Welding Machine
- + TIG Welding Machine
- + Flux Core Welding Machine
- + Forklift
- + Overhead Crane

OUR PRODUCTS :

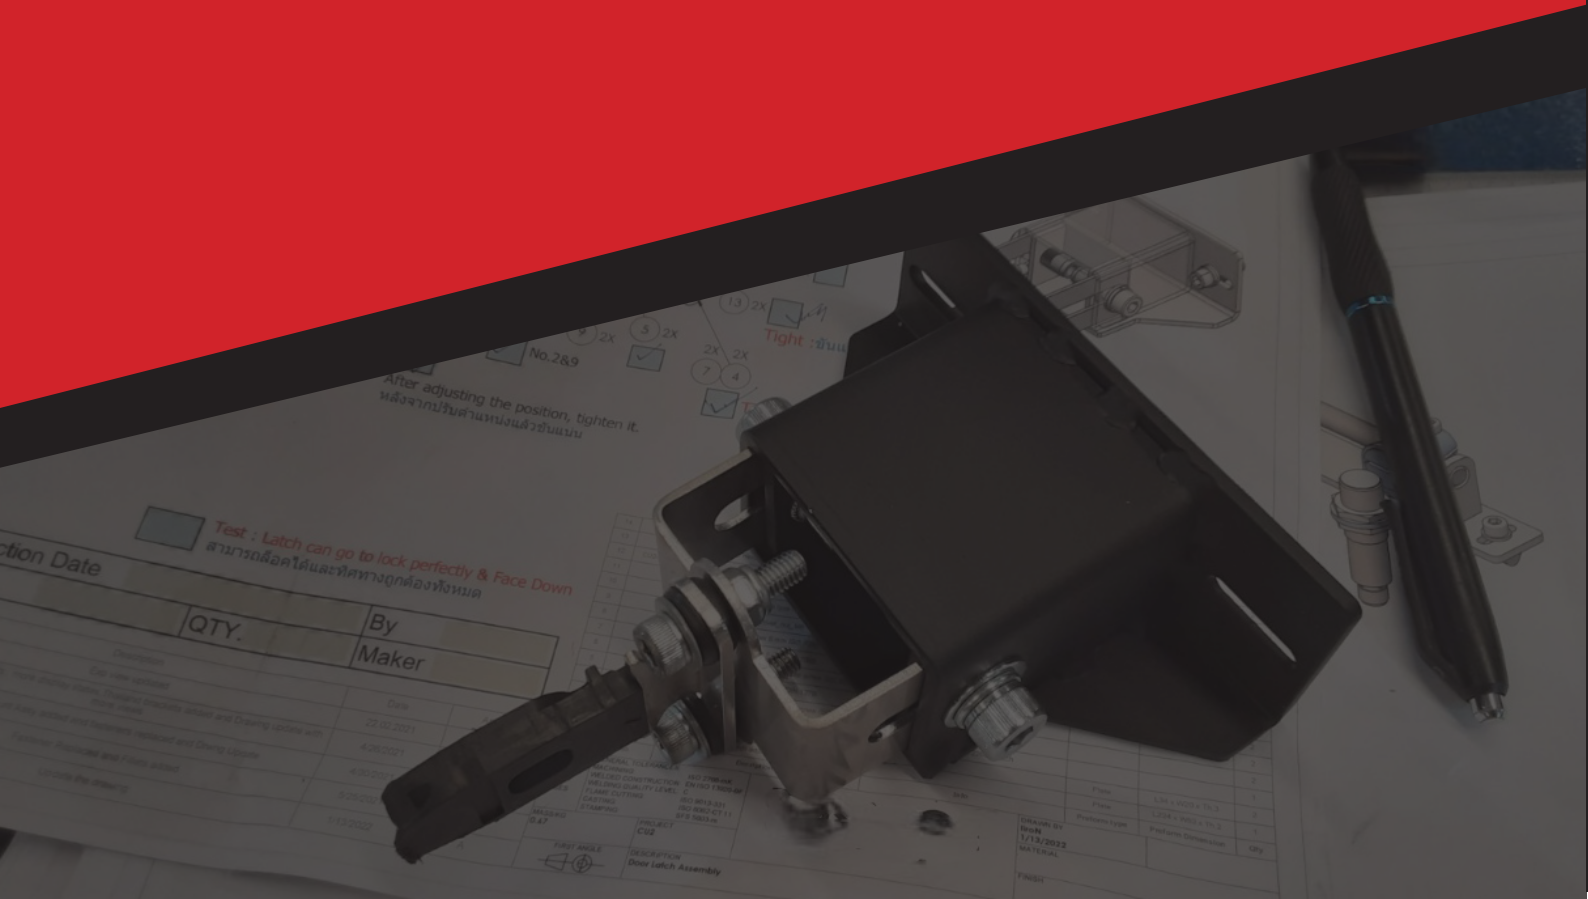

INDUSTRIAL AUTOMATION

Evercon Group is Cabur's official partner in Thailand, handling representation, distribution, and client support. We collaborate closely with Cabur's management and technical team in Italy, enabling us to bring the latest European tech advancements to Thailand. **Our product range includes:**

- + Industrial Connectivity
- + Automation and Control Solutions
- + Industrial Marking System
- + Renewable Energy Solutions
- + EV Smart Charger

X-RAY PROTECTION LEAD SHEET

Our lead sheets provide vital X-ray and Gamma ray shielding. They come in various sizes and thicknesses, suitable for Dental, Mammography, and CT rooms, ensuring safety for medical personnel in any setting requiring radiation protection
